VISIT YOUR SPONSORED CHILD

Valerie Nolan from Fairfax Church in Virginia, traveled with us to Argentina in 2023. While there, she got to meet Thiago, the little boy her family sponsors.

About her experience, Valerie said, “I can’t express what it meant to me to get to meet the child that we sponsor. Getting to meet this adorable 5-year old boy, his mom, and the volunteers who pour into his life was so special. I can truly see how well taken care of he is, and I am grateful to be a very small piece of God’s beautiful story in his life.”

JOIN US ON THE JOURNEY TOWARD WHOLENESS

Children of Promise

Every child deserves a chance to dream about the future, to experience joy, and to know God's love. At Children of Promise, we call this wholeness. It is our calling to make a life of wholeness possible for children around the world.

LOCALLY SHAPED, GLOBALLY SUPPORTED.

Children have the best chance at wholeness when they have their basic needs met and when they are part of a loving community. Children of Promise's local leaders in more than 30 countries around the world identify children in their communities who would benefit from child sponsorship. This ensures the support provided to sponsored children makes the biggest possible impact in their lives.

When you support Children of Promise, you're not just making a donation, you're joining a family of local leaders from churches around the world, staff, sponsors, and donors. Together we are all working to bring hope and wholeness to children in need. As we share the love of Jesus, we become more whole, too. You're invited to become a part of the Children of Promise family. Join us as we all journey toward wholeness together.

CHILDREN OF PROMISE SPONSORSHIPS

Through our child sponsorship programs, we focus on meeting the needs of children and their families in four core areas:

NUTRITION

Families receive a monthly package of food, or children receive a hot meal each day at school.

EDUCATION

Children receive tuition, school supplies, and uniforms so they can attend school.

HEALTH CARE

Children receive preventative and diagnostic care as well as medications, hygiene items and emergency treatment as needed.

DISCIPLESHIP

In the loving community of the local church, children are introduced to Jesus and the wholeness made possible by following Him.

Children can be sponsored by individuals, families, or even a group, like a Bible study or youth group. Through exchanging letters and receiving regular updates from your child, you have the opportunity to build a lasting relationship with a child across the world.

Visit our website at childrenofpromise.global/sponsor to see children who need a sponsor and to start your sponsorship today.

THE GAP FUND

Stand in the gap for a child awaiting a connection with a new sponsor by giving a single or recurring donation to the Gap Fund in any amount. The Gap Fund provides sponsorship resources for children in the areas of pre-sponsorship, continuity of care, and scholarships. You can learn more about the Gap Fund at childrenofpromise.global/gapfund.

GIVING BEYOND SPONSORSHIP

MAKING IT ALL HAPPEN (MIAH)

Making It All Happen is the operational budget of Children of Promise. Contributions to this fund from individuals and churches are vital to the continued work and growth of Children of Promise.

EMERGENCY & RELIEF FUND

Sponsored children sometimes have special needs or circumstances that require funds beyond the regular sponsorship amount. Needs often include treatment for a medical emergency, management of a long-term health condition, or relief after a natural disaster. Contributions to this fund enable us to respond immediately when a need arises.

SIDNEY & JEAN JOHNSON ENDOWMENT

The Children of Promise endowment, set up in the name of our founders, is a wonderful way to invest in the long-term health, growth, and financial stability of the organization.

LEAVING A LEGACY

Naming Children of Promise in your will or estate provides long-lasting support for Children of Promise while you enjoy financial benefits for yourself. Visit childrenofpromise.global/legacy for a free estate planning guide and practical tools for developing a legacy giving plan that's best for you and your family.

MEMORIAL AND HONORARY GIFTS

Celebrate your loved one with a memorial or honorary gift in their name. Our team will send a personalized card in response to each gift.
